

NUMERICAL INDEX OF CES OPERATING INSTRUCTION

COMPLIANCE WITH THIS PUBLICATION IS MANDATORY

This index provides a numerical list of current operating instructions issued by 341st Civil Engineer Squadron.

OPR: 341 CES/CCQ (SrA Corey A. Johnson) Supersedes CECIND 0-2, 21 March 1997 Distribution: X (341 CES/CCQ)	Certified by: 341 CES/CC (Lt Col Donald L. Gleason) Pages: 4 1 ea)
---	---

Section A - 341 CES Numerical Operating Instruction Index

Section B - Operating Instructions

Section C - Supplements to CES Operating Instructions

Section D -Obsolete CES Operating Instructions

1. Explanation of Symbols, Acronyms, and Abbreviations:

OI Operating Instruction
CES OI Civil Engineer Squadron Operating Instruction
* Changed Information, or new or revised instruction issued since last index edition
Stocked and Issued by the OPR

2. Explanation of Distribution Symbols:

F Functional - User determines requirement. Users send requirements and requisitions through their appointed flight chiefs to the commander's support staff (CCQ).
X Special - The office of primary responsibility (OPR) determines the organizations which have a need for the operating instruction and make distribution accordingly.
